To

The Chief Secretary
to the Government of Mysore

Sir,

I have the honour to forward herewith a copy of an application dated 22nd August 1917 from Mr. Swaminath Proprietor of the Cauvery Rice Mills at Mysore, for a small piece of land out of the Chatram premises abutting his property. The present boundary between the Chatram and the Rice mills is a fence which runs in a somewhat irregular manner Mr. Swaminath's request is for permission to erect a compound wall in a line with the Compound wall of the Representative Home and to grant to him the small bit of land thus cut off. The extent of the land is 312 square yards or 80. The Committee after careful consideration have resolved to recommend the grant on the following conditions viz:- (1) That the applicant should pay a price of one rupee per square yard of the land that may

the Presen! that he shd

that he wall in good condition

4) That he should undertake not to let in rain water to the chatram side of the Compound wall if any building is raised on the wall. The Proprietor agreed to the above conditions and has also consented to execute an agreement to that effect

As the construction of the Compound wall (without any cost to the institution) will improve the chatram premises, the proposed transaction is advantageous to the institution.

In these circumstances, I request that you will be so good as to move the Government to accord their sanction to sell the piece of land in question as resolved by the Committee.

The file of correspondence together with a sketch shewing the exact position of the land in question and the connected papers are herewith submitted for reference and obliging return.

I have the honor to be,
Sir
Your most obedient Servant
